MEMORANDUM TO: Colonel Russell A. Berg

SUBJECT : AEC/Project Emergency Communication

1. In conference with ADC this office requested that ADC notify our Operations Center immediately in case of any in-flight emergencies or crashes.

2. Roughly the in-flight emergency reporting system is as follows:

a. WORKHORSE aircraft calls ADC site [] and relays change in flight plan, nature of emergency, or what have you.

b. Site notifies ADC Headquarters.

c. ADC Headquarters notified

(1) Marsh Flight Service Center who notifies Watertown.

(2) This Headquarters thru AF Command post.

3. Currently in such cases ADC Headquarters picks up the direct phone to the Command post and asks for extension This number is no longer applicable.

4. Therefore, it is requested that your office notify ADC Headquarters to amend their procedures as follows:

a. Between the hours of 0830 and 1700 EST call

b. During other hours call one of the following officers listed in order of preference:

THE UNIVERSITY OF CHICAGO

- 2 -

5. This verbally coordinated plan will be formalized through your office in the immediate future.
